Helpful Suggestion For A Good U-Pick Experience

Wear good shoes – sandals/flip flops not recommended.

Wear sunscreen & hat – temperatures are often near 100°
and there is very little shade when not in the trees.

Strollers & wagons are allowed – very helpful when hauling kids + cherries.

Jogging strollers and wagons with bigger wheels are less likely to get stuck.

Plan enough time – it takes about 30 minutes for a single person to pick one 5.5 lbs bucket.
